- iii. When a position becomes available for recall, the District will notify eligible employees by certified mail at the employee's last known address. The employee must notify the Director of Human Resources within five (5) work days after receiving the notice of recall of his/her intention to return to work. Failure by the employee to so notify the District shall be considered a decision not to accept the recall.

- iv. It is the responsibility of the employee to immediately notify the Director of Human Resources of any changes in mailing address during the period of lay off. The District shall have fulfilled its obligation under this Section by mailing the recall notice to the employee's last known address by certified mail.

Days of paid leave shall be deducted from sick leave and the total number of paid leave days granted under this Section A shall be limited to the

number of days of sick leave the employee has accrued. Employees who wish to take such leave shall notify the Director of Human Resources or designee in writing as soon as practical, but in no event later than sixty (60) days prior to the date a leave is to commence, except in the case of a medical emergency.

- ii. After completion of the probationary period, a leave of absence of up to one (1) year without pay shall be granted to an employee for the purpose of child rearing. Employees desiring such leave shall notify the Director of Human Resources or designee as soon as practical, but in no event later than sixty (60) days prior to the date a leave is to commence, except in the case of a medical emergency.
- iii. An employee who takes a child rearing leave shall be returned to a position comparable to the position formerly held. If the leave has been for six (6) months, or less, there will be no reduction in pay or seniority and all rights and seniority shall be received as if the employee had been actively employed during the leave. If the leave is longer than six (6) months all rights shall be reinstated, except that experience level credit will not be given for leave time. An employee may pay the cost of his/her insurance coverage in order to remain on the group plan while on leave, except as may otherwise be required by the Family and Medical Leave Act for any portion of the leave which may be covered by that Act. Sick leave will not accrue during an unpaid leave of absence, regardless of the length of the leave.
- iv. In the event an employee is unable to return to work once all granted leave has elapsed, the employee shall provide a physician's note regarding her inability to return to work. The District may then continue the employee's leave as sick leave, if the employee has any accrued sick leave remaining, or as an unpaid health leave.
- v. Should an employee decide to terminate employment at the end of leave, the employee shall give the District notice of such intent at least thirty (30) days prior to the termination of leave.

c. Civil Leave

- i. After completion of the probationary period, an employee shall be given time off without loss of pay or Summer Leave when lawfully called to serve on jury duty or subpoenaed to appear before a court, public body or commission. Satisfactory evidence of such service must be submitted to the employee's supervisor.
- ii. An employee who is lawfully subpoenaed or requested to serve on jury duty will receive his/her regular pay from the District. An employee who receives compensation for jury duty or as a result of such subpoena will remit such

compensation to the District. The employee is allowed to keep any reimbursement for mileage as a result of serving on jury duty.

d. Military Leave

- i. After completion of the probationary period, any employee who is a member of any reserve component of the armed forces of the United States or of this state shall upon request be entitled to no more than ten (10) work days leave of absence in any twelve (12) month period for the purpose of engaging in military drills, training or other temporary duty under military or naval authority. Reserve military duty shall not be deducted from Summer Leave.
- ii. An employee who is on reserve military leave will receive his/her regular pay from the District. An employee who receives compensation for military duty shall remit such compensation to the District.
- iii. Extended military leaves shall be granted without pay and return to work shall be in accordance with applicable laws.

e. Sick Leave and Personal Obligation/Emergency Leave

- i. During the first twelve (12) months of employment, employees who have completed the probationary period and are scheduled to work thirty (30) or more hours per week shall earn one (1) sick leave day for every month worked. Employees may accrue up to ten (10) sick leave days during their first twelve (12) months of employment with the District.
- ii. After completing twelve (12) months of employment, employees who are scheduled to work thirty (30) or more hours per week shall earn one (1) sick leave day for each pay period worked until the maximum of eleven (11) days has been earned during the contracted school year. Employees may accrue up to eleven (11) days of sick leave per year accruable to a maximum of 90 days.
- iii. Sick leave is only earned based upon time actually worked. Sick leave will not accrue during leaves of absence. Employees shall be paid for sick leave based upon the number of hours they would have normally worked on that day.
- iv. All employees shall receive an accounting of their accumulated sick leave time on each pay check stub.
- v. An employee may utilize accumulated sick leave for the actual illness, injury or disability of the employee or his/her immediate family, or to attend doctor or dental appointments.
- vi. All non-probationary employees shall be awarded two (2) non-accruable personal/emergency days at the beginning of each contract year to be used for personal reasons during that contract year. There shall be no accumulating or carry over. Personal obligation days are for obligations of such a personal nature that it is essential for an individual to be absent from his or her duties.

To the extent possible, personal commitments will be scheduled around the employee's work schedule. Personal days will not be taken for monetary gain or to simply have a day off from work. Personal days are not to be used to extend a weekend or school vacation.

- vii. The parties recognize that emergencies may occur from time to time that require the absence of an employee from his or her customary employment responsibilities within the District. Emergency days are to be used for something that is of a serious, compelling nature that develops suddenly, that demands immediate attention and that is beyond the control of the employee. It is something that can not be scheduled outside of the employee's work schedule.
- viii. When such emergencies or personal obligations occur, an employee will be given time off subject to a written explanation for the emergency or personal obligation approved by the employee's supervisor. Approval will not be unreasonably withheld. Approval for personal obligation days will be requested in advance. If, in an emergency, an employee is unable to obtain prior approval, the employee will submit the written request for emergency leave on their return to work.
- ix. If the employee's supervisor does not agree that the explanation meets the intent of this section, he or she will notify the employee in writing of the reason for denial. The decision of the Supervisor is subject to the grievance process outlined in Appendix E of this Agreement.
- x. Employees are expected to schedule any personal leave to minimize time away from their scheduled employment responsibilities. Employees are expected to return to work if the emergency or personal obligation does not require that they be absent for the entire scheduled work day.
- xi. For the purposes of Article VII, "immediate family" shall include the employee's spouse; mother or father (*or one who stood in loco parentis*); or son, daughter, adopted child, foster child, step child or legal ward under the age of eighteen or age eighteen or older if unable to care for him/herself.
- xii. If an employee will be unable to work, the employee must notify and give a reason to his/her supervisor and notify the Food Service Director as soon as possible or within at least one (1) hour before the time set for the beginning of his/her shift start. Leaving a message on a home or cell phone is adequate.
- xiii. If Summer Leave is applicable as defined in Article VII of this Agreement, and an employee becomes ill while on Summer Leave, the employee may substitute accrued sick leave for Summer Leave upon presentation of a physician's certificate of illness

f. Summer

- i. The District may elect not to run a Summer Work Program or to issue Summer Work Agreements in any year at its discretion and, in that event, no summer leave ("Summer Leave") will be awarded. However, if the District elects to have a Summer Work Program and issues Summer Work Agreements, all provisions of this Agreement shall be considered in force for employees working under a Summer Work Agreement.
- ii. If the duration of any Summer Work Program and Summer Work Agreements issued therefore exceeds twenty (20) workdays, employees who have signed a Summer Work Agreement and who have worked at least twenty (20) days will earn five (5) days of Summer Leave upon completion of the term of the Summer Work Agreement. Payment for Summer Leave days will be based upon the number of hours per day the employee was scheduled to work in accordance with his or her most recent Summer Work Agreement.
- iii. Summer Leave may be taken only on days that are not considered workdays by the District. Days worked pursuant to a Summer Work Agreement are considered work days, however, employees who wish to use Summer Leave during the term of a Summer Work Agreement must request such leave at least three (3) work days before the requested leave is to begin to enable the District to locate a substitute for that employee. In the event there is a conflict in requested leave or the District is unable to locate a substitute for an employee who requests leave during Summer Work days, the request for leave may be denied.
- iv. Catering work performed during the summer is not considered part of a Summer Work Program. The provisions in Article VII do not apply to, or become effective because of, any catering work that may be scheduled and performed during the summer.

g. Unpaid Leaves of Absence

- i. Other leaves of absence, without pay, may be granted by the Superintendent. Employees requesting such leave shall submit a written request to the Superintendent as soon as practical, but in no event later than sixty (60) days prior to the date a leave is to commence, except in the case of an emergency.
- ii. An employee on any leave authorized pursuant to the terms of Article VII, Section d shall be given a written statement of the type and duration of said leave.
- iii. An employee who takes leave shall be returned to a position which is comparable to the position formerly held. If the leave has been for six (6) months, or less, there will be no reduction in pay or seniority and all rights and seniority shall be received as if the employee had been actively employed during the leave. If the leave is longer than six (6) months, all rights shall be reinstated, except that experience level credit will not be given for leave time.

Such an employee may pay the cost of his/her insurance coverage in order to remain in the group plan while on leave, except as may otherwise be required by the Family and Medical Leave Act for any portion of the leave which may be covered by that Act. Sick leave will not accrue during an unpaid leave of absence, regardless of the length of the leave.

- iv. Should an employee decide to terminate employment at the end of leave, he/she will give the Superintendent notice of such intent at least thirty (30) days prior to the termination of leave.
- v. Leaves of absence shall not be unreasonably denied.
- vi. The District agrees to grant employees unpaid leaves of absence to serve as a Union official in accordance with this Section.

VIII. EVALUATION PROCEDURE

a. Physical Examinations

- i. Physical examinations may be required by the District after a conditional offer of employment has been extended to an applicant and thereafter. An offer of employment is conditional upon the results of the physical examination. The District will be responsible for the cost of the physical examination to the extent it is not covered by insurance. Extra laboratory and x ray procedures not normally included in a routine physical will not be paid by the District.

b. Evaluation

- i. The District shall promptly notify an employee in writing of any alleged deficiencies. In the event that a deficiency could result in termination of employment, copies of any notice to the employee shall be promptly forwarded to the Union.
- ii. The District shall perform annual performance evaluations. (*See Performance Evaluation Forms – Article F*). Step increases shall be awarded only after satisfactory completion of a performance evaluation.

IX. SEPARATION & RETIREMENT

a. Severance

- i. Any bargaining unit member who leaves the District in good standing after ten (10) years of continuous service in the bargaining unit and who has given notice to the District by April 1st shall receive:
 - 1. \$6,000 for those who are contracted to work thirty (30) or more hours per week

2. \$2,000 for those who are contracted to work less than thirty (30) hours per week
- ii. If a bargaining unit member with ten (10) years of service in the bargaining unit dies while employed in good standing by the District, the District shall pay the following:
 1. \$6,000 to a named beneficiary for those who are contracted to work thirty (30) or more per week
 2. \$2,000 to a named beneficiary for those who are contracted to work less than thirty (30) per week
 3. If no named beneficiary has been filed with the District, payment will be made to the estate of the deceased employee

b. Tax Sheltered Annuity Participation

- i. The District agrees to purchase annuities for employees in accordance with provisions of Section 403 (b) of the Internal Revenue Code of 1954, as amended from time to time. Such purchase shall be made pursuant to written application from the employee requesting an agreement with the District. Said agreement inter alia will provide for reduced payments to the employee from his/her salary. The Director of Human Resources is authorized to approve such agreements on behalf of the District and to establish the amount of the reduction which will, in turn, be remitted to an annuity program selected by the employee. The program will be for a non-forfeitable annuity account maintained under contracts qualifying under Section 403 (b) and issued by such District-approved investment providers as the employee may select. The District will provide to any employee, upon request, a list of all participating investment providers. No new investment provider may be included in this plan unless ten (10) District employees have expressed an interest in enrolling in that investment provider's portfolio.

c. Retiree Health

- i. For the period July 1, 2019 to June 30, 2020 only, bargaining unit members who notify the district by April 1, 2020 of his/her intent to retire, shall be permitted access to the District's health insurance plan as it exists for bargaining unit members. Upon retirement, the District shall pay 55% of the premium for a single plan with the retiree paying the remaining costs until age 65. The parties agree to adhere to the rules of the health insurance provider. For the purposes of this section of the Agreement, a 'retiree' shall be defined as an employee who is at least sixty (60) years of age at the time of retirement and has provided fifteen (15) or more years of continuous service in the bargaining unit immediately prior to retirement. The bargaining unit members must be in good standing and satisfied the terms of their contract.

 - e. then said employee's benefits will be reduced by the amount received from these sources.
5. Exclusion - no coverage will be provided for disabilities from the following causes:
 - a. Intentionally self-inflicted injuries.
 - b. War, declared or undeclared, insurrection, rebellion, or participation in riot.
